Villa in Javea

€499,000

4	2	250m²	1,000m²	N/A

Magnificent location, very private and five minutes walk from the center of Javea, surrounded by greenery and next to the Montgó natural park. Today this house is in impeccable condition, maintaining its Mediterranean character over the years, with almost two hundred years this villa has managed to merge into a single house of the three that existed in the past. The current owners have not stopped modernizing and pampering the house in the last two decades, making it a very nice and very private house. It has two entrances, one of them gives access to the large living-dining room area and the kitchen. a staircase leads to the rear terrace...(Ask for More Details!)
