This impressive "finca style" villa is located in the beautiful surroundings of the Olta area of Benissa, just a short drive to the town, restaurants and sandy beaches of Calpe. From here you can enjoy trees and nature, mountains and a large sea view including the famous Penon de Ifach. The villa itself is situated on a flat fenced plot of about 1300m², with a lower area offering extra parking and access to the basement level of the property. The rest of the plot is left natural apart from a large fenced area for animals. The villa was built to a high standard using ecological materials to achieve...(Ask for More Details!)
