Every now and then, a property comes onto the market which just shouts 'buy me!' This beautiful country property has everything, an idyllic location in the mountains above *Alora*, immaculate accommodation, a great pool, endless terraces and views forever. Add to that 60,000 sqm of land with productive olives, figs, almonds, carob and nisperos and you really do have a little piece of heaven in Andalusia. The property has several different access routes, the shortest on a good mountain road, is around 15 minutes drive from *Alora*. The driveway down to the property is concreted all the way. so no problems with muddy tracks. The front of the house is...(Ask for More
