This stylish villa in JÃ¡vea combines modern architecture with plenty of living space and a particularly strong focus on the Mediterranean outdoors. The house is spread over two floors, which are internally connected, creating a practical separation between the different living and sleeping areas. On the upper floor there is a spacious and bright living area. Large windows provide plenty of natural light and enhance the open, modern character of the home. From this floor there is access to a large private terrace, a nice extra outdoor space with an open view of the surroundings. There are also bedrooms and bathrooms, decorated in the same quiet and contemporary style. The...(Ask for
