New Villa for Sale in Marratxinet Mallorca. A project for a luxurious residence which has just be granted full planning permissions to be built in the next 18 months, in the picturesque area of Marratxinet, one of Marratxí's most exclusive neighbourhoods, popular with families because of its authentic village feel but with the advantage of its close proximity to Palma de Mallorca the airport and international schools. This new project is for a five bedroom home with four bathrooms, which on the ground floor has a large open plan kitchen lounge and diner with eight meter wide full hight sliding doors which open out on to an easy to maintain...(Ask for More Details!)
