Villa in Pedreguer

€885,000

3	2	160m²	1,175m²	✔

We present this spectacular contemporary design villa currently under construction in Pedreguer, with stunning sea views. The property, distributed over two floors, offers bright and functional spaces perfect for enjoying Mediterranean living. On the ground floor there is a spacious living-dining room with open plan kitchen, which connects directly to a large terrace ideal for relaxing or entertaining. This floor also has two double bedrooms sharing an elegant bathroom. Upstairs is the luxurious master bedroom with en-suite bathroom and access to a private terrace. There is also the possibility of adding a fourth bedroom with its own en-suite bathroom, ideal to suit every family's
