Licenced Villa Construction Project in Ciutat d'Alcúdia Introducing an exceptional licenced villa construction project in one of Mallorca's most coveted areas – Ciutat d'Alcúdia. This unique licenced villa construction project offers a rare opportunity to secure a plot of land in a privileged location between historic Alcudia and Port d'Alcudia, complete with a fully approved construction project. Set against the breathtaking backdrop of the UNESCO Heritage Tramuntana mountains, the plot is an expansive 17,000m² of flat land that offers panoramic views of the surrounding countryside and mountains. The location combines the peaceful serenity of rural Mallorca with close proximity to the
