494m<sup>2</sup>

683m<sup>2</sup>

Discover this impressive newly built villa in Albir, where contemporary design, cutting-edge technology, and comfort combine to offer an exceptional lifestyle. With over 380 m<sup>2</sup> of built area, this property was designed for those seeking an exclusive, elegant home connected to nature. From the first moment, the architecture captivates with its clean lines, well-defined volumes, and a palette of natural materials and neutral tones that convey calm, harmony, and sophistication. Each space has been designed to enhance natural light, create a sense of spaciousness, and facilitate the connection between indoors and outdoors. The around floor offers an open and bright living
