830m²

Exclusive Mediterranean-style villa with views of Montgó and the sea. This spectacular Mediterranean-style villa is located in the quiet urbanization of Pinomar, just a 5-minute drive from Arenal beach in J  vea, it offers a unique living experience, with breathtaking views of both the Montgó and the sea. Built with natural materials such as stone and wood, the villa is distinguished by its strategic location that guarantees privacy and beautiful views from almost every angle. The tropical garden and private pool create an oasis of relaxation, complemented by several sitting areas and patios designed in an authentic Mediterranean style. The villa is spread over two floors.
