This exclusive modern-style villa stands on a plot of over 900 m², facing south to enjoy all-day sunshine and stunning open views of the Mediterranean Sea. With over 400 m² of living space and 480 m² of terraces, the property perfectly combines contemporary design, comfort, and elegance. The main floor houses a spacious and bright living-dining room with a fireplace, which flows seamlessly into an open and integrated professional kitchen, designed for both everyday use and socializing. From this floor, there is direct access to the spectacular main terrace, where the double-sided infinity pool visually blends with the sea horizon. On this same level, there is an
