Exclusive residence with stunning panoramic sea views. This magnificent villa is situated in an environment characterized by peace and privacy, yet just a short distance from beaches, shops, restaurants, and local amenities. The property enjoys spectacular, open panoramic views over the entire bay and the Mediterranean Sea to the front, and views of a vast pine forest to the rear. The villa features a built area of 370 m² with generous spaces filled with natural light, where elegant parquet flooring and high-quality finishes immediately stand out. The layout currently includes four spacious bedrooms, with the significant advantage that the property previously had seven
