Â We are pleased to be offering these stunningÂ six villas, all with a private swimming pool and stunning views over the Mediterranean Sea. Each house is approximately 450sqm, spread across three storeys, with an open plan basement that provides flexibility and allows various uses to be accommodated within. Additionally, the villas have up to 60sqm of south-facing covered terraces each. The development incorporates the latest innovations in construction materials and techniques, setting new standards in energy efficiency, smart home technologies, wellbeing, comfort and environmental considerations embedded from the early design stage, with sustainability at the core
