This property is just so thoughtfully built by the current owner! Every detail has been thought of & you will not find a better solar system, with 48 top of the range batteries & not one but two back up generators! The system uses only the very BEST components! No more electricity bills! PLEASE, copy this link to see the drone footage of this wonderful property - <https://www.youtube.com/watch?v=rPmgAe1ZDiU> This property is set back 1.4km from the main road along a track (bit bumpy in places) but it is worth it! The quality of this property is one of the best! No expense has been spared! The property is...(Ask for More Details!)
