Semi Detached in Denia

€493,000

3	3	112m²	N/A	✔

Just a few meters from La Almadraba beach in El Verger, and a few kilometers from Denia, a project that defies imagination is born. The intention is nothing less than to make the impossible a reality: a residential area that strives to become a sustainable, healthy and respectful community. But the most important feature of the properties is undoubtedly the large terraces. With their regular proportions, they are the ideal spaces for outdoor living. The integration of the living room with these spacious terraces will unite your home as a livable volume where the interior merges with the exterior. This is a townhouse with 2 bedrooms...(Ask for More Details!)
