Exclusive new build villas with panoramic sea and mountain views – spacious solarium terraces, ideal for sunbathing and outdoor living. Each villa features 3 bedrooms and 3 fully equipped bathrooms, along with a high-quality open kitchen integrated into the spacious living room for a bright and social living space. An optional basement or garage of approximately 100 m² can be realized, allowing you to expand and personalize the property to your liking. The location is excellent: within a short distance of all amenities, large shopping centers, and the beaches of Benidorm and Finestrat. Only 3 villas available – contact us for more information and viewings.
