About this property We are delighted to present this charming country home, beautifully situated in the breathtaking countryside of Ibi. The property occupies an elevated plot of just over 5,000 m², with a significant portion thoughtfully fenced off to create a formal garden. This property is completely powered by solar, which was updated 18months ago. Mains water also. Located approximately a 10-minute drive from the town, this lovely residence is nestled amidst the local natural landscape. The views are nothing short of spectacular, and while there are neighbors nearby, the home enjoys a sense of privacy. This distinctive property has been cherished by its
