PRE-DEVELOPMENT LAND BANK OPPORTUNITY â€“ MONTEMAYOR 2,400m² of urbanisable land positioned within a larger approved residential development in Montemayor, Montemar. The master development has already been passed, providing planning clarity and defined future use. However, the project has not yet been sold, creating a genuine land bank entry point ahead of market maturity. The parcel is currently divided into three individual 800m² plots, offering flexibility for phased resale or future development. Each plot allows construction across three levels, supporting single-family villa projects once the surrounding development progresses. For investors.
