Discover Premium Living in the Capital of the Costa del SolMÃ¡laga is buzzing. As Europe's hottest new tech hub and the undisputed capital of the Costa del Sol, this vibrant city seamlessly blends a historic centre, stunning beaches, and a spectacular new marina. Because demand is soaring, high-quality real estate here is incredibly rare. We are proud to bridge that gap, offering an exclusive collection of premium, centrally located apartments designed for sophisticated city living. This exceptional development features 35 modern apartments boasting spacious one beds and two bedroom, two bathroom layouts, seamless open plan living areas, many with private balconies,
