DescriptionDESCRIPTION - Please read the details carefully and these are all the photos that we have. If you are looking for a large property as a project - look no further! Introducing to you this spacious townhouse boasting many traditional features, yet in need of reformation. The main property offers the potential to become a charming family home, complemented by an additional building that could serve as separate living accommodation. The first floor of the house could easily be transformed into a self-contained unit or two bedrooms with ensuite bathrooms. Additionally, there is a terrace on this level, which was historically used for drying tobacco from personal plants.
