Maximum privacy and spectacular views in the best located villa in Parque Botánico. This detached villa enjoys the best location in the entire resort, in an elevated position, with no direct neighbors and with light throughout the day. It offers absolute privacy and incredible views of the forest and mountains. The house stands out for its spaciousness and a very comfortable distribution. The main living room opens onto a sunny terrace from which you can access the private elevated pool, equipped with hydromassage jets. It is a perfect space to relax, share moments and enjoy the natural environment in total privacy. The kitchen is modern and functional. The rest area
