A new project in Benalmádena consisting of 44 multi-family homes with 2 and 3 bedrooms, a garage and storage room included and distributed in 4 blocks. The project also includes 4 semi-detached houses with 3 bedrooms. All the homes in the project have large terraces that will allow you to enjoy the wonderful views of the sea. The orientation of the houses also stands out, they are all facing southeast through southwest giving lots of sun and spectacular sunsets and sunrises. Regarding the qualities, you will like to know that the complex has 2 community pools surrounded by garden areas that will allow you to enjoy the hottest days of the... (Ask for More
