This spectacular Villa is an architectural masterpiece representing the pinnacle of modern beachside living on the Costa del Sol. Developed by the prestigious Marein Group, a local spanish builder, this 3 year-old villa delivers a flawless fusion of modern design, privacy, and an unbeatable location. Situated just 80 meters from the San Pedro beach promenade and less than 2 km from the world-famous Puerto Ban  s, this turnkey property is custom-built for the most discerning buyer seeking a high-end holiday sanctuary, a permanent residence or a lucrative investment asset. This Villa showcases a sleek, contemporary design with clean lines and open-plan living spaces.
